Dana Spears
FINAL
CIS 81 – Javascript and Dynamic HTML
Summer 2016

ABOUT FINAL:

Links to Final:
      Zipped File: https://github.com/Spears-Dana/Zip-File---Final
      Individual Files: https://github.com/Spears-Dana/FINAL

Run the final project program by clicking on**: showtime6.html**

The Final consists of approximately 62 files uploaded at GitHub (2 HTML; 2 CSS; and the rest are picture files).

The individual files are uploaded in the "FINAL" repository.

The same files are contained in a zipped folder and placed in a Zip Archive. The Zip File is in the "Zip File – Final" Repository.
